Nationality

Italian

Date of birth

09/06/1992

EDUCATION AND TRAINING

2022 - current

PhD candidate in “Advanced therapies of biomedicine and surgery” at University of Naples “Federico II” under the supervision of Prof. Annamaria Colao.

Project: *New implications on the pathogenic interplay between type 2 diabetes mellitus and menopause: the role of hormone replacement therapy on women's health.*

2022

Specialization in Endocrinology and Metabolic Disease, at University of Naples “Federico II”. Thesis title: “Effects of Puberty blockers and Gender Affirming Hormones on bone health, body composition and auxological parameters in adolescents with Gender Dysphoria”; Supervisor: Dr. Alessandra Daphne Fisher.
Full marks with honors

2018 – 2022

Resident fellow in Endocrinology and Metabolic Disease, University of Naples “Federico II” (Italy). Clinical management of patients affected by endocrine diseases and of patients with internal medical needs in Endocrinology ward. Outpatient care of patients affected by pituitary adenomas and menopausal related-problems. Supervisor: Prof. Annamaria Colao

2022

Research and Clinical Fellow. Section of Andrology, Women’s Endocrinology and Gender Incongruence at the University of Florence (Italy), under the supervision of Prof. Linda Vignozzi. Project: Endocrine-gynecological disorders in post-menopausal women, hypoactive sexual desire, arousal and orgasmic disorders, genito-pelvic pain disorders, female sexual dysfunctions in cancer patients, dysmenorrhea, premature ovarian failure, climacteric syndrome

SIUMB (Società Italiana di Ultrasonografia in Medicina e Biologia) certificate in ultrasound applied to internal medicine

SIAMS (Società Italiana di Andrologia e Medicina della sessualità) ultrasound certificate in andrology

2021

Specialistic traineeship at Cardarelli Hospital, Naples - Interventional radiology of thyroid gland

Specialistic traineeship at Santobono Hospital, Naples – Paediatric Endocrinology

2018

Italian Medical License. Iscrizione Albo Professionale dei Medici di Salerno. N. 11232.

2017

Degree in Medicine and Surgery at University of Siena (Italy). Thesis title: Novel clinical aspects of a rare dysmorphogenetic syndrome, Filippi's syndrome: description of the first case treated with growth hormone (GH).

Summa cum laude and honors

2015-2017

Student intern. Pediatric endocrinology. University of Siena, Italy.

Supervisor: Prof. Maddalena Cioni

2010

Diploma Liceo Classico. Istituto "D. Alighieri", Agropoli (SA).

Votation: 100/100 cum laude

2009

Fifth grade in classical piano at the "Gesualdo da Venosa" Conservatory of Potenza
